ICE TELLS LIES. DON'T FALL FOR THEM.

Common lies or tricks ICE agents use to enter a home or get information about someone.

ICE'S MOST COMMON LIE IS PRETENDING TO BE LOCAL POLICE

**So you think you are helping police
instead of helping ICE.**

ICE tries to **lure people outside their home** or create a fake reason to **enter their home** so they can arrest the person they have targeted.

 If you or a loved one could be at risk of an ICE arrest,
speak to an attorney for individualized advice. 

COMMON ICE RUSES: PHONE

ICE agents lie or use ruses **over the phone** to:

- obtain information
- locate the person they are looking to arrest
- arrange a location to meet in person, outside the home

It is common for ICE agents to call and...

- act like they are the local police
- claim to be from a specific police precinct or unit
- ask where the person they are looking for is and ask to meet them

COMMON ICE RUSES BY PHONE

Lost ID

"We found a lost ID."

You're a Suspect

"We're investigating a crime and you're a suspect."

"Can we come to you?"

"Can you come to us?"

COMMON ICE RUSES IN PERSON

ICE agents lie or use ruses **in-person** to:

- get inside the home
- make an arrest
- obtain information about the person they want to arrest

It is common for ICE agents to...

- say or act like they are the local police
- be dressed in plain-clothes or in uniforms or vests that say "Police" or "Federal Police"
- not indicate that they are civil immigration officers

COMMON ICE RUSES IN-PERSON
